

Fall-B • October 21, 2026 • 6:20pm

We have a new name for our Wednesday Elective Classes called **Anchored!**

Our continued prayer is that these electives will strengthen the church, deepen biblical understanding, broaden relationships, and give every person opportunity to *serve* and *be served*.

This next semester is Fall-B, in it we plan to add an additional elective bringing the options to three. We will also return the two offerings from last semester for those who want a second pass, but also for those who wanted to take both classes last semester but had to choose one.

Fall 2026 Schedule

Fall A: August 26—October 14 (8 weeks)

Fall B: October 21 – December 16 (8 weeks, we don't meet Thanksgiving week)

Note: *Children's and youth ministries (Bubbles/Nursery, Splash/Kids, and Surge/Youth) will continue during this hour so parents can participate in the adult electives.*

Fall-B Class Offerings

Making Ends Meet

Taught by Tim & Janice Martin

This practical study focuses on what the Bible says about meeting the challenging and unique needs of people trying their best to get by. As you begin to learn and apply these principles, you will have the opportunity to move from surviving on your financial journey to thriving—experiencing financial health and hope.

Required Materials: E-book (\$9.99) or physical workbook (\$18); a worthy investment in aligning your finances with God's plan.

Apologetics 1

Taught by Dr. Fred Ball

Apologetics I equips believers to prove the reasonableness of our faith, identify the various worldviews in opposition to Christianity, tackle the tough questions of the Bible, and teach others how to defend the Faith. This class uses Christian apologetics as a pre-evangelistic tool for winning souls, helping participants engage others with confidence, clarity, and grace.

Materials: No required purchase. Occasional handouts or recommended readings may be provided.

Genesis 1-11: The Foundation

Taught by Pastor Christian

Genesis 1–11 studies the biblical account of the world's beginnings. We will examine the age of the earth, the place of dinosaurs, the angelic rebellion, the global Flood, and the Tower of Babel, exploring how these events shape our view of Scripture, human history, and the gospel. This course helps believers stand confidently on the foundation of God's Word.

Materials: No required purchase. Occasional handouts or recommended readings may be provided.

How to Sign Up

Registration is open now through the church app. Simply open the app, navigate to **Events**, select the Elective of your choice, and **register**. If you need help, stop by the Welcome Desk or ask any of the leadership team.

Please register as soon as possible so we can adequately prepare for class sizes and materials.

A Rhythm of Serving & Being Served

This 8-week cycle structure is designed so that every person has opportunities both to grow and to give. For example:

- In Fall-A you may choose to take one of the elective classes.
- In Fall-B you may choose to serve in Bubbles (Nursery), Splash (Kids), Surge (Youth), Greeting/Security, or another ministry area—or even teach a class yourself.
- In Spring-A you may choose to take the elective offered in Fall-B that you missed while serving.

The same pattern can reverse in later cycles. God has uniquely fit this body, and this rhythm helps make room for more people to step into more learning and serving opportunities.

Let's Give It a Try

Because this is still new, we are asking the church to jump in and try it with us. It is our sincere prayer that these electives will help us grow deeper in the Word, stronger in community, and more effective in using every gift God has placed among us.

We look forward to seeing you on Wednesday evenings this fall—some in the classroom, some serving the next generation, and all of us growing closer together.

In Christ,
Pastor Christian
